APL LOGISTICS OCEANGUARANTEED™ LCL PREDICTABILITY YOU CAN USE. PERFORMANCE YOU CAN TRUST.

OceanGuaranteed™ is the industry's first day-definite guaranteed service from Asia to North America. You can guaranteed delivery of your LCL shipments with greater reliability and proven on-time performance.

GUARANTEED PERFORMANCE

OceanGuaranteed™ (OG) gets your goods to market seamlessly, providing expedited services and the convenience of one call, one transit time and one invoice – giving customers a competitive advantage.

OceanGuaranteed™ combines APL Logistics' industry-leading resources and expertise with proven trucking partners – offering a unique single-source ocean/truck solution without the capacity constraints of air freight. Only OG can guarantee greater consistency over standard ocean/intermodal.

Your shipment gets top priority, ensuring day-definite delivery from origin to final delivery.

- Cargo is given priority at the port in Asia,
- Priority handling at the port of arrival
- Cargo is quickly loaded onto trucks for final delivery

OCEANGUARANTEED SERVICE BENEFITS

CARBON REDUCTION

OG can help your company achieve its carbon reduction goals

GUARANTEED DAY-DEFINITE DELIVERY

Expedited service, faster than standard ocean shipping – allowing for more reliable planning

MONEY-BACK SERVICE GUARANTEE

20% refund of your final invoice if shipment arrives late*

RATES QUOTED PORT-TO-DOOR

Rates quoted to the customer's door, versus air rates – quoted airport-to-airport.

COST SAVINGS

Air freight predictability and reliability, without the air freight premium and capacity concerns

GUARANTEED SPACE & EQUIPMENT

From port-to-door – even during the critical peak season

VISIBILITY

End-to-end SKU-level visibility on all FCL & LCL shipments

CONVENIENCE, CAPACITY AND CHOICE

OceanGuaranteed's simple, per-kilo pricing structure is designed to parallel air freight, making it easy to compare costs and plan your supply chain. Rates are quoted with port-to-door, zone pricing – versus air rates quoted airport-to-airport.

With savings over traditional air freight and without the capacity constraints, only OceanGuaranteed can provide day-definite delivery which is also cost-effective.

Our commitment to on-time delivery is supported by an industry-leading money-back guarantee. If your shipment doesn't arrive on the scheduled day we'll pay 20% of the final invoice.*

Dedicated, centralized customer support monitors your shipments and automatically alerts you to any exceptions. With web-based tracking at your desktop – shipment details, transit updates, and customs status are available 24 hours a day.

KEY ASIAN PORTS

OceanGuaranteed™ operates from seven countries, giving you the option to originate shipments from APL Logistics' dedicated network and facilities in multiple key Asian ports. Locations include:

- **China:** Qingdao, Shanghai, Ningbo, Xiamen, Shenzhen, Hong Kong
- **Taiwan:** Kaohsiung
- **Thailand:** Bangkok
- **Vietnam:** Ho Chi Minh City, Haiphong
- **Singapore**
- **Indonesia:** Jakarta
- **South Korea:** Busan

THE APL LOGISTICS ADVANTAGE

APL Logistics has a long and distinguished history as an industry leader and innovator. In fact we were the first logistics provider to introduce guaranteed, expedited, day-definite service from Asia to North America for both LCL and FCL shipments.

In a dynamic market where competition is fierce, a predictable and cost-efficient supply chain can be your company's strategic advantage. APL Logistics is the nimble, responsive partner who can deliver the service you demand at a price you can be excited about. So if you're looking for a better way to control logistics costs without compromising supply chain quality contact APL Logistics today.
