## APL LOGISTICS OCEANGUARANTEED™ LCL THE PERFECT TRANSATLANTIC SHIPPING SOLUTION

If you are shipping time-sensitive products from Europe to North America, APL Logistics' OceanGuaranteed service can meet your transportation needs. Your LCL shipments can now enjoy guaranteed, day-definite service that comes with greater reliability, fewer hand-offs and proven on-time performance.

### **FASTER THAN OCEAN, CHEAPER THAN AIR, GUARANTEED PERFORMANCE**

APL Logistics has engineered OceanGuaranteed specifically to help shippers get the best of both worlds: faster transits than conventional ocean LCL with the reliability of air freight.

**Faster Than Ocean.** Conventional groupage service is cost-efficient, but can be subjected to lengthy and unpredictable transit times. OceanGuaranteed combines fast ocean transport with a highly reliable landside LTL service for port-to-door transits that are up to 23 days faster than conventional LCL.

**Cheaper than Air.** Let's face it, air freight can be expensive. Why pay a premium for speed, when what you really need is predictable and reliable transits? With savings over traditional economy air freight, only OceanGuaranteed provides the LCL service that's both day-definite and cost-effective.

**Guaranteed Performance.** Our commitment to on-time delivery is supported by an industry leading money-backed guarantee. If your shipment doesn't arrive on the scheduled delivery day, we'll pay 20% of the final invoice\*.

## SIMPLICITY, CAPACITY AND CONVENIENCE

**Simplicity.** OceanGuaranteed offers a simple, zone-based per-kilo pricing designed to parallel air freight, making it easy to compare costs and plan your supply chain. All in a single invoice.

**Capacity.** With OceanGuaranteed you can be assured of both equipment and vessel capacity. Our partners give your shipments top priority for container equipment and vessel space allocation, even during peak season.

**Convenience.** OceanGuaranteed operates from Bremerhaven, one of Germany's most efficient and strategically located export gateways. This gives you the option to originate shipments from APL Logistics' dedicated network and facilities close to multiple manufacturing centers. Just a call away to dedicated customer service, quick online access to rate quotes, sailing schedules, and complete shipment visibility from Germany to final delivery.

## THE APL LOGISTICS ADVANTAGE

APL Logistics has a long and distinguished history as an industry leader and innovator. In fact we were the first logistics provider to introduce guaranteed, expedited, day-definite service from Asia to North America for both LCL and FCL shipments.

In a dynamic market where competition is fierce, a predictable and cost-efficient supply chain can be your company's strategic advantage. APL Logistics is the nimble, responsive partner who can deliver the service you demand at a price you can be excited about. So if you're looking for a better way to control logistics costs without compromising supply chain quality contact APL Logistics today.
